

Presidential/Deans Fellowship

The Presidential Fellowship/Dean's Scholar Program in the College of Arts and Sciences is aimed at enhancing our competitiveness in recruiting outstanding graduate students.

To be eligible, a nominee must be a new applicant to a **PhD** program in the College of Arts and Sciences with at least one of the following:

- a cumulative undergraduate grade point average of 3.4 or higher
- OR a two component combined GRE test score (the sum of the scores of the verbal and quantitative components of the GRE General Test revised format subsequent to Oct. 1, 2002) of 1270 or higher AND a score on the new analytical writing component of 4.5 or higher
- OR a score on the relevant GRE Subject Test in the 75th percentile or higher.

Please note that, in accordance with the recommendations of the Educational Testing Service, the CAS Fellowship Committee will only consider GRE General Test scores taken on or after October, 2002.

The nominee must be offered a teaching/research/graduate assistantship by the Department of Chemistry. Each Fellow will receive a fellowship of between **\$4,000 and \$6,000** on top of the assistantship stipend and a full tuition scholarship. The Fellowship is renewable for three additional years provided the Fellow maintains satisfactory academic progress.
