This elite group has been recognized through the presentation of this award since 1985, when the Department of Chemistry held its first annual awards ceremony.

1994 Recipients of the Sophomore Merck Index Award

**Leah E. Cole
Jeffrey R. Errington
Leslie A. Kenna
Sang Wook Kim
Charles T. Lau
Alex Novogrudsky
Thomas J. Santangelo
Michael T. Vanorum**

Sophomore Merck Index Award

The Sophomore Merck Index Award honors the top 1% of sophomore students in CHE 201-251 and CHE 202-252, based on cumulative rank, and is presented by the Department of Chemistry faculty. This elite group has been recognized through the presentation of this award since 1985, when the Department of Chemistry held its first annual awards ceremony.

1993 Recipients of the Sophomore Merck Index Award

Michael L. Gostkowski

Sophomore Merck Index Award

The Sophomore Merck Index Award honors the top 1% of sophomore students in CHE 201-251 and CHE 202-252, based on cumulative rank, and is presented by the Department of Chemistry faculty. This elite group has been recognized through the presentation of this award since 1985, when the Department of Chemistry held its first annual awards ceremony.

1992 Recipients of the Sophomore Merck Index Award

**Mark E. Burkard
John J. Grigsby Jr.
Michael T. Herbowy
Susanne T. Mieczkowski
Ravi Srivastava
Garin M. Tomaszewski**

Sophomore Merck Index Award

The Sophomore Merck Index Award honors the top 1% of sophomore students in CHE 201-251 and CHE 202-252, based on cumulative rank, and is presented by the Department of Chemistry faculty. This elite group has been recognized through the presentation of this award since 1985, when the Department of Chemistry held its first annual awards ceremony.

1991 Recipients of the Sophomore Merck Index Award

**Wen Chun Hsu
Benjamin Koenig
Jeffrey Legrett
Stephen M. Maricich
Kimiko Tawada**

Sophomore Merck Index Award

The Sophomore Merck Index Award honors the top 1% of sophomore students in CHE 201-251 and CHE 202-252, based on cumulative rank, and is presented by the Department of Chemistry faculty. This elite group has been recognized through the presentation of this award since 1985, when the Department of Chemistry held its first annual awards ceremony.

1990 Recipients of the Sophomore Merck Index Award

**Chen Han
Rajiv K. Jain
Steven S. Lesser
Mark J. Percy
Annie Tam**

Sophomore Merck Index Award

The Sophomore Merck Index Award honors the top 1% of sophomore students in CHE 201-251 and CHE 202-252, based on cumulative rank, and is presented by the Department of Chemistry faculty. This elite group has been recognized through the presentation of this award since 1985, when the Department of Chemistry held its first annual awards ceremony.

1989 Recipients of the Sophomore Merck Index Award

**Mitchell J. Herr
Kenneth M. Boy
David J. Fiorella
Charissa Conti
Colleen A. Fretz
Todd A. Dorfman
Brian E. Bunch
Shane G. Ferguson**

Sophomore Merck Index Award

The Sophomore Merck Index Award honors the top 1% of sophomore students in CHE 201-251 and CHE 202-252, based on cumulative rank, and is presented by the Department of Chemistry faculty. This elite group has been recognized through the presentation of this award since 1985, when the Department of Chemistry held its first annual awards ceremony.

1988 Recipients of the Sophomore Merck Index Award

**Nathun Diachun
Carol Killian
Jason Lipetz
Sandra McAvoy
Scott Puckett
Jennifer Tufariello**

Sophomore Merck Index Award

The Sophomore Merck Index Award honors the top 1% of sophomore students in CHE 201-251 and CHE 202-252, based on cumulative rank, and is presented by the Department of Chemistry faculty. This elite group has been recognized through the presentation of this award since 1985, when the Department of Chemistry held its first annual awards ceremony.

1987 Recipients of the Sophomore Merck Index Award

**Rudolph J. Rico
Gregory J. Reynard
Timothy G. Terranova
Patricia H. Choi
Homayoon Khalili
Michael K. Soeder
Stacy L. Dittenhauser
