

## **Western New York American Chemical Society Award**

Through its generosity the Western New York Section of the American Chemical Society (founded in 1905) offers this annual award to honor the outstanding senior students of our regional colleges and universities majoring in chemistry, medicinal chemistry and biochemistry.

Each student, selected by the Undergraduate Affairs Committee, is invited to attend the spring meeting and dinner of the WNY ACS, at which time he/she will be presented with a certificate and gift.
