

## Marjorie E. Winkler Annual Fellowship in Chemistry

*“I received my B.S. and Ph.D. in Chemistry at UB. The experiences taught me how to analyze scientific problems and test new hypotheses using multiple approaches. It provided me with the keys to open many new doors and has led to a lifetime of questioning and learning.” Marjorie E. Winkler, Ph.D.*

Dr. Marjorie E. Winkler has established the Marjorie E. Winkler Annual Fellowship in Chemistry to be used for the purpose of fellowship support in the Department of Chemistry at UB.

This fellowship is for one year and will provide two to three incoming students in Chemistry add-on support to full Teaching Assistantships. The recipients are selected by the members of the Graduate Admissions Committee.

### Marjorie E. Winkler Annual Fellowship in Chemistry Recipients

2006 - Ethan Decota  
Nadine Kraut

2013 - Amaris Borges-Muñoz  
Leander Bromley III

2007 - Dustin Paul

2014 - Patrick Avery  
Kyle Banecker

2008 - Steven Seedhouse  
Brett Yatzor

Amaris Borges-Muñoz  
Thomas McGuire

2009 - Kathryn Manning

2010 - Justin Griffiths

2011 - Greg Horrocks  
David Copeland

2012 - Zakary Falls  
Jonathan Shikora
