

DEPARTMENT OF CHEMISTRY

ANALYTICAL/MATERIALS CHEMISTRY SEMINAR SERIES

Wednesdays at 12:00 Noon

NSC 306

Spring 2015

April 1

Prof. Chong Fang, Department of Chemistry, Oregon State University

"Unraveling Photochemical Reaction Mechanisms in Fluorescent Protein based Biosensors using Femtosecond Raman Spectroscopy"

May 6

Dr. Mark M. Ross, Research Scientist, Department of Chemistry,
University of Virginia

"Travels with Mass Spectrometry"

University at Buffalo
State University of New York
