

Attention Students

Please be advised that CHE 101, CHE 102, CHE 107, CHE 108, CHE 201 and CHE 202 have been designated as "limited enrollment" courses, which means that the enrollment in these courses is limited by the number of student positions available. Self-registration in these courses in the Fall and Spring semesters will be limited to those students who are taking the course for the first time. Thus, repeat enrollment may be difficult or impossible in the Fall and Spring semesters, and students who plan to repeat the course for any reason should plan to register for the course in the Summer.

Repeat enrollment is defined as: a student who was previously enrolled in the course at UB, or who transferred an equivalent course to UB, who received either a letter grade of 'A', 'B', 'C', 'D' or 'F' and qualified values thereof (e.g. 'A-', 'D+'); or a grade of 'P', 'S', 'U', 'I', 'J', 'N', or 'R'. The only case in which a student may self-register for a repeated course is when the student has taken an Administrative Withdrawal for an entire previous semester, so that all the grades for that semester were registered as 'W'.
